M. U. MEN IN CROSS-COUNTRY

To Enter Valley Run at Lawrence and K. C. A. C. Meet.

The cross-country meet to be held in Lawrence, Kas., Saturday will be the first meet of its kind in the Missouri Valley Conference. Kansas, Missouri, Nebraska, Drake and Ames will be entered, each with a five-man team. There has always been an Eastern and Western cross-country, but until this season the Missouri Valley Conference has never attempted anything of the sort. W. O. Hamilton of Kansas is manager of the event. Doctor Clapp of Nebraska is chairman of the committee.

The K. C. A. C. invitation meet will be held in Kansas City Thanksgiving Day as usual. Kansas and Missouri have always had men entered and Missouri has always won. This contest is between individual men rather than teams, and is open to any amateur.

Kansas and Nebraska both have strong teams for the Missouri Valley meet. The other teams are reported average. It is possible that the Kansas Agricultural College may have a team entered also.

The five men who will compose Missouri's team have not yet been chosen, but they will be selected from seven men: Shockley, Bermond, Wickham, Terry, Moss, Meyer, and Hogan. Bermond and Shockley are the only M men among these. Bermond, captain of this year's track team, has always run short distances, but this fall he has developed ability for longer distances.

"Missouri's prospects are not as good as if Steele and Johnson were still with us," said Coach Jones. "While the men have been working hard their time is not fast. The best time so far is about 28:30. Steele's record was 26 flat for the five-mile. This record was made in Kansas City at the K. C. A. C. meet two years ago. Kansas and Nebraska both have good teams entered, and if we do no better than we have in practice it is uncertain how we will come out."

A cup will be given to the winning team and medals to the best individual runners.

The best three men in the event at Lawrence probably will be taken to the Thanksgiving K. C. A. C. cross-country.

Members May Bowl Free Saturday.

The Y. M. C. A. will open its bowling alleys next Saturday and on that day members will be permitted to bowl free. The organization is trying to get all of the men interested in the work and later in the season teams will be formed from men in different departments of the University to take part in a bowling contest. The plans have not been formed.

The Gant-Ellison Company

EXTENDED ONE DAY

Our pre-Thanksgiving sale of suits and overcoats has been extended one day. Suits or coats ordered by tomorrow will reach the buyer in time for the Thanksgiving game. From the number of students who have taken advantage of this time limit, we are led to believe that the plan is a good one, so we are making this special concession for the delivery of orders given on the sixteenth. You may not be sorry if you don't get a suit from us, but you certainly will be in every way satisfied if you do.
